The screenshot shows the user interface of the Texas Health and Human Services Learning Portal. At the top, there is a header banner with the Texas state seal and the text "TEXAS Health and Human Services Learning Portal". Below the banner, the user's name "Kayla Haygood" and a language dropdown menu are visible. The dropdown menu is currently set to "English - United States (en_us)" and is highlighted with a red box and a red arrow pointing to it. To the right of the language dropdown, there are notification and user profile icons. Below the header, the main content area is divided into several sections: "FIND COURSES" with a "Site Course Search" and "All courses ..." link; "COURSE OVERVIEW" with tabs for "Timeline" and "Courses", and sub-tabs for "In progress", "Future", and "Past"; and a progress indicator for "Person-Centered Thinking (Classroom)" showing 0% completion. On the right side, there are three sidebar sections: "MY COURSES" listing "ANE Competency Training and Exam (online)", "Introduction to Person-Centered Planning (Online)", and "Person-Centered Thinking (Classroom)"; "UPCOMING EVENTS" with a message "There are no upcoming events"; and "CALENDAR" for August 2019.
